Sector or subsector	Limitations on market access	Limitations on national treatment	Additional commitments
I. HORIZONTAL COMMITMENTS			
ALL SECTORS INCLUDED IN THIS SCHEDULE	<p>3) Foreign investment must be authorized by the Directorate of Foreign Investment, and subsequently registered in the Central Bank register of foreign investment and technology transfer contracts.</p> <p>The annual profits generated by foreign capital that has been duly registered with the Central Bank may be remitted abroad up to an amount equivalent to 25 per cent of the registered capital.</p> <p>Registration of foreign investment is restricted by the following provisions:</p>		

DOMINICAN REPUBLIC (continued)

- | | | |
|--|--|--|
| | <p>a) totally prohibited in public services, such as drinking water, sewage and postal services and any other area the Directorate declares closed to foreign investment;</p> <p>b) limited to a percentage not exceeding 29 per cent of the equity in:</p> <ul style="list-style-type: none">- production of material and equipment directly related to the national defence and security;- advertising, broadcasting, newspapers, magazines, publishing and mass communication media;- internal land transport, except where directly related to import and export, internal air transport, maritime transport, cabotage and international maritime transport;- forestry; | |
|--|--|--|

DOMINICAN REPUBLIC (continued)

	<p>c) limited to a percentage not exceeding 49 per cent of the equity in:</p> <ul style="list-style-type: none">- crop, livestock and poultry farming;- fishery;- insurance. <p>In other areas the registration of capital investment may be authorized without percentage limits, except that foreign investment for the purchase of property for speculative purposes may not be registered. This does not concern the purchase of real estate for the purpose of carrying out tourism projects.</p>		
--	--	--	--

DOMINICAN REPUBLIC (continued)

	<p>No legal person or enterprise may acquire land located within 60 metres of the high water mark along the coast-line of the Dominican Republic. Likewise, purchases of land by foreign legal persons or enterprises are limited to 5,000 m². Above this limit, authorization in the form of a presidential decree is required. All foreign companies must recruit a minimum of 80 per cent of Dominican employees. In special circumstances, the employment of more foreigners may be authorized when it is hard or impossible to replace them by Dominicans, with the obligation for the company to train Dominican staff.</p>		
--	--	--	--

DOMINICAN REPUBLIC (continued)

	<p>4) Unbound, except for senior and specialized staff associated with commercial presence who must contribute to the training of Dominican personnel in the areas of specialization concerned. Market access for foreign natural persons is subject to the requirement of a work permit and a work visa.</p> <p>The provision in the Dominican Republic, through the presence of natural persons, of professional services such as legal, accounting, consultancy, engineering, architectural and medical services, is subject to the fulfilment of the requirements laid down in the laws governing the exercise of such professions.</p>	<p>4) Under the Tax Code, income received by foreigners in the form of payment of dividends, royalties and interest is subject to payment of the taxes provided for by law.</p> <p>The laws relating to labour are territorial, and apply to Dominicans and foreigners without distinction, except as otherwise provided for in international agreements. The law recognizes as basic rights of workers, <i>inter alia</i>, freedom of association, vocational training and respect for physical integrity, privacy and personal dignity.</p>
